April 6, 2017

Dear Parents and Guardians,

The safety and well being of our students at King Intermediate is a high priority and we are committed to providing a secure campus.

To that end, we want to notify you of a security incident where a student brought an unloaded airsoft gun to campus on Tuesday, April 4, 2017. School staff was notified and immediately took disciplinary action with the student. The item was confiscated and no one was harmed.

Hawaii Administrative Rules define an air gun as a "firearm," which is strictly prohibited as contraband. Violations can be met with school disciplinary actions including detention, suspension and dismissal or, if deemed necessary, the case may be referred to police for further action.

We ask that you please remind your child about contraband items that may be harmful and pose a health risk to themselves or to others.

Thank you very much for your attention and we ask for your continued kokua to help keep our campus safe and secure. If you have any questions, please contact any administrator at (808) 233-5727.

Sincerely,

A handwritten signature in black ink that reads "Wendy Matsuzaki".
